25X1 4. [REDACTED] Congressman Ogden Reid inquired  
25X1 on several matters of current intelligence interest on [REDACTED] I  
was able to supply him the information desired. He was most appreciative.

25X1 5. [REDACTED] Met with Mr. Dan O'Brien, Admin-  
istrative Assistant to Senator Bourke B. Hickenlooper, and learned that  
the Senator had cut short his trip and had arrived back in the office  
unexpectedly. The Senator will be in his office this afternoon and pre-  
sumably tomorrow. The Director's office has been notified.

6. [REDACTED] (JGC) Returned to the House Foreign  
Operations and Government Information Subcommittee the copy of [REDACTED] 25X1  
[REDACTED] remarks on the polygraph which was borrowed from the committee  
yesterday. I also advised Mr. Kaoe, Committee Counsel, that with regard  
to Dr. Aldrich's invitation, there has been a sixty day or more delay in  
delivery of equipment; and, as a result, it is not expected now before February.  
Mr. Kaoe thanked me very much for the advice and indicated that he would  
still be interested at such time as Dr. Aldrich would care to have him out  
to see the equipment.

25X1 7. [REDACTED] Met with Colonel Harold A. Gould, Technical  
Adviser, House Science and Astronautics Committee. Colonel Gould indicated  
that Chairman Miller may be back in the city on the 7th of December, but  
it is not known whether he will be attending the briefing. He will advise me  
on 3 December of the names of the persons on the committee staff and from  
the National Aeronautics and Space Council who will be attending. In passing,  
Colonel Gould noted that the committee staff would appreciate guidance con-  
cerning the current [REDACTED]

[REDACTED] With regard to security of the hearing room, Colonel Gould stated  
that the committee normally took care of checking the room themselves  
unless the Agency desired otherwise.
